SMARTER THAN WOOD™

RISING WOOD PRICES MAKE AZEK® BUILDING PRODUCTS A SMARTER CHOICE!

New tariffs and increased cost of wood makes AZEK and TimberTech® decking now even more affordable. Over 10 years, wood decks cost more than our low maintenance, high performance decks.*

*Estimated 10-year total cost comparison, based on a 320 sq. ft. deck (does not include railing, lighting, fasteners or accessories). Costs based on National Average.

100%

SMARTER INVESTMENT

- High performance & low-maintenance
- Won't crack, splinter or rot and are resistant to mold mildew and insects
- 30 Year Fade & Stain Warranty
- 27 colors & styles to select from
- Board Lengths up to 20 feet
- Longer boards without any price premium to shorter boards
- Consistent quality from board to board and along each board. No need to sort through lumber stacks looking for "the good boards"
- Sell a better deck—available NOW
- Made in the USA
